

CONNECTION CENTER

#GetConnectedNow

A Gateway to a Brighter Future

The Connection Center, operated by X-Cel Education, is a one-stop resource center for Greater Boston's Opportunity Youth (OY).

"WE WANT TO SEE THESE OPPORTUNITY YOUTH PURSUE THEIR PASSIONS AND BREAK THE GENERATIONAL CYCLES THAT THEY MAY HAVE IN THEIR FAMILIES." - JANSEN AZARIAS

Located conveniently inside the Ruggles T Station on the Orange Line, the Connection Center matches each youth with his or her own Success Coach. In many cases, Success Coaches are former OY who are now armed with connections to college and career readiness programs, workforce development programs, and many other local innovators that promote alternative pathways for youth looking to make a positive change in their lives.

Whether it's a career, a college application, or simply a way out, the Connection Center can help OY find a path to success and independence.

WHO?

The Connection Center focuses on assisting OY ages 20-24 who have a high school credential. OY may be unemployed, not in school, or simply unhappy with their current situation. Our objective is to reconnect them with their goals and remind them of their options through one-on-one support.

HOW?

These are just a few of the possible connections our Success Coaches have at their fingertips:

Ruggles T Station
First Floor
Walk-Ins Welcome
